

## Flight Centre UK Ltd

Flight Centre launched our Payroll Giving scheme in partnership with Workplace Giving in September 2008. Within 6 months over 18% of our employees have signed up to the scheme and this continues to increase monthly.

Our staff are now raising in excess of £12,000 for 64 local and national charities based throughout the UK.

Introducing Payroll Giving has been a positive experience for Flight Centre and our employees, and promoting it via face to face visits is a new and innovative way for us to communicate to colleagues.

**Jennie Cullander, Payroll Manager**, said, "Flight Centre was delighted at how simple Payroll Giving was to set up and promote effectively with Workplace Giving UK and that so many of our workforce have taken part in the scheme. Our staff have seen the scheme as a positive addition to our benefits package and a great way to give something back."
