## What is the Payroll Giving Quality Mark?

It's a new scheme that recognises and rewards charities and businesses of all sizes for making Payroll Giving available to their staff. The Quality Mark comprises a certificate and logo, as well as Bronze, Silver and Gold Awards.

## What does the Quality Mark mean for charities?

The Quality Mark aims to provide UK charities with sustainable income streams by increasing participation in Payroll Giving. This is your opportunity to engage employers in Payroll Giving by offering them something tangible that publicly demonstrates their commitment to good causes.

## About the Awards

The Awards reward employers for fostering a culture of committed giving in the workplace by actively promoting Payroll Giving. Awards will be allocated on an annual basis by your PGA.

Awards are available for organisations that achieve minimum staff participation rates and employer support as outlined opposite.

Gold Awards are the highest symbol of excellence, recognising those employers that are making a difference together through Payroll Giving, benefiting good causes and employees alike.

Don't forget that if you offer Payroll Giving to your employees you too could be an award winning organisation.

## Bronze, Silver or Gold?

### Bronze Award

Awarded to employers that achieve 1% employee participation in Payroll Giving.

### Silver Award

Awarded to employers that achieve 5% employee participation in Payroll Giving.

### Gold Award

Awarded to employers that achieve 10% employee participation in Payroll Giving and pay the administration charge, match donations **or** have promoted Payroll Giving during the previous year.
